As you might be aware the Maltese government has decided to implement an ECO Tax for all incoming tourists 18 years and over travelling to Malta. In fact, they will be charged €0.50 per night up to 10 days. All those students staying 11 days or more will be charged a €5.00 supplement for the whole duration of their stay, irrespective of the number of days. Please note that this will be collected by the accommodation establishments themselves. In the case of those staying at a host family contracted by ELA, please note that this will be collected on the first day of school but it will not be included in the invoice<sup>2</sup>
