

### ENGLISH LANGUAGE COURSE FOR TEACHERS AND SCHOOL STAFF

Course dates

**5 July - 18 July**

Course fees

**£1365**

Course location

**University of Kent**

#### Target audience

Low - intermediate level Teachers of English, school staff and company staff who want to improve their English language skills and develop their confidence and ability in using the language. This is a language course; there is no methodology.

**You will need a post-elementary or a low- intermediate level of English (A2 – B1). It is not recommended for people with a level of English higher than B1.**

#### Course summary

Participants will benefit from an intensive language course in an English speaking environment, enjoying the company of like-minded adults from different countries. The course is extremely practical and we encourage active participation. You will be engaged in a wide variety of motivating and focused activities. This course provides a large amount of English practice throughout. You will also be encouraged to use your English outside the classroom while socialising with your colleagues and you will have the opportunity for further English practice while attending extra voluntary afternoon and evening activities.

#### Course content

Studying key areas of English grammar, especially those which cause difficulties

Building up an extensive English vocabulary and developing strategies for storing and remembering words

Working on a range of useful phrases that can be used when socialising or meeting English-speaking people

Working on English phonology including sounds, stress, rhythm and intonation

Improving your reading skills and learning how to expand your vocabulary through reading

Using the Internet to increase your vocabulary and improve your reading and listening skills

Building confidence in listening to spoken English and developing listening strategies

Building fluency and confidence in spoken English

Learning some basic features of spoken grammar

Practising writing emails and text messages in English

Getting feedback on your English and identifying key areas you need to work on
